**Students:** Use the “Around the World” article to complete a Tree Map about West Africa. From this list, pick three categories to list on the top, bold lines: geography, statistics, food, clothing, problems, wildlife, nature or a similar subtopic. One the bottom set of lines, classify words from the article that belong under each of your chosen categories. For example, classify Ivory Coast, a country in West Africa, under the category of geography, and list the patas monkey under the category of wildlife. **Teachers:** Possible answers are below but can vary depending on word selection.
