Answer Key

Students: After reading "Connections," use information from the article to answer the following questions in complete sentences. If more space is needed, continue on the back. Parents and teachers: The answers are below. Check to see that answers are in the students' own words.

1. What details can you use to support the view that reading is important?

The article states that the entire month of March is dedicated to reading, and that Read Across America Week began in 1998 to promote reading nationwide through events and partnerships. The article states that reading is for everyone and that there is a book for every topic. The passage informs readers on the many benefits of reading.

2. What motive is there to celebrate Read Across America Week?

The motive is to commemorate the birthday of the well-known children's author, Dr. Seuss. Another motive is to promote reading for youth and to help foster good reading habits.

3. What questions would you ask in an interview with Dr. Seuss?

Student answers will vary.

4. How is Read Across America Week related to Dr. Seuss?

Dr. Seuss' birthday is March 2, which kicks off Read Across America Week. The initiative was started to celebrate his birthday and get kids reading.

5. What would you recommend as a way to celebrate Read Across America Week?

Student answers will vary.
